

# Working with music tutors in Wiltshire schools - important safeguarding information for SLTs, DSLs, Music Leads and Business Managers: **January 2025**

## 1. Working with music tutors who are members of GSW Music Hub (through Swindon Music Service) [Associate scheme](#) – what you should know.

Using Associates to deliver music tuition means that schools and families are using tutors and leaders who have been, and continue to be, subject to a vetting and checking process. This includes applications, *initial* interviewing and assessment of their skills and abilities.

It also means schools and the pupils they work with have access to:

- [First Access](#) bursary
- [Tuition](#) bursaries
- [Instrument Hire scheme](#)

Further information is in the schools' section of our website: [HERE](#)

**Wiltshire Council and GSW Music hub (through Swindon Music Service) remind all schools that Associates are freelance individuals or independent organisations.**

**As such, it remains the responsibility of your school to check that any Associates you are working with meet your school's safeguarding requirements and other quality related matters.**

We encourage all schools in Wiltshire to use Associates as the scheme provides an extra layer of quality assurance, safeguarding and supports the development of a sustainable community of providers.
